Terms of Sale

1. This is an unrestricted auction and mail bid sale conducted by Superior Galleries (SUPERIOR), A Division of Superior Stamp & Coin Co., Inc., subject to SUPERIOR'S consent, all persons, including consignors (subject to Auction Consignment terms and conditions), SUPERIOR, and its principals may bid on any lot.

2. THE BUYER'S COMMISSION WILL BE ADDED TO ALL INVOICES EXCEPT AS NOTED BELOW. A Buyer's Commission of ten percent (10%) on each individual lot will be added to all purchases made by all bidders except consignors (if consignor's purchases are made according to the terms and conditions of the consignment agreement), regardless of bidder's affiliation with any group or organization, and will be based upon the total amount of the final bid.

3. All material shall be sold in separate lots to the highest bidder. Superior reserves the right to group individual lots and sell them as one lot with said lots described as such in the auction catalogue. If any dispute arises during or immediately after the sale of a lot, the Auctioneer shall have the right to rescind the lot sale and put it up for sale again. In all cases, Auctioneer's decision shall be final. For the bidder's protection, no ''unlimited'' or ''buy'' bids will be accepted.

4. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. For wiring instructions be sure to contact our office to ensure proper credit. NO CREDIT CARD PURCHASES WILL BE ACCEPTED. Checks will only be accepted for immediate delivery with pre-approved credit. Lots must be paid for in full upon buyer's receipt of invoice or delivery of lots to buyer or buyer's order, whichever is earlier. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent providing for joint and several liability.

5. By bidding in this sale, bidder personally guarantees payment. If a corporation is bidder, the officers and / or principals of the corporation agree to personally guarantee payment.

6. Floor bidders and mail bidders who have not established credit with SUPERIOR must furnish satisfactory financial responsibility references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as SUPERIOR may require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.

7. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

8. This is not an approval sale. All lots sold to the highest bidder as determined by Auctioneer are final. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing since NO LOT PURCHASED BY A FLOOR BIDDER MAY BE RETURNED, including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot.

9. a. All items offered in this catalogue are guaranteed to be genuine. Claims to the contrary must be made in writing within ten (10) days after receipt of material.
   b. No lot may be returned without prior written consent.
   c. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.
   d. If Superior agrees to accept any lot as a return, it must be housed in its original, sealed and unopened container.
   e. Lots which are described as ''sold as is'' and/or ''without right of return'' may not be returned or rejected for any reason whatsoever, no matter if purchased by mail bidder or floor bidder.
   f. Late remittance constitutes just cause for revocation of all return priviledges for any reason.
   g. In no event may any lot be returned after thirty (30) days from the date of the sale.

10. Auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot at any time.

11. When identical bids are received by SUPERIOR for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid at his sole discretion.

12. Auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that you have the ability to pay the amount of your bid including a 10% buyer's commission.

13. Sales tax, if required by law to be collected, postage and insurance plus the ten percent (10%) Buyer's Commission, will be added to the invoice for any lot(s) that is invoiced to successful bidders. All lots delivered in the State of California are subject to local sales tax. Individuals purchasing lots for resale must submit an exemption certificate signed by the purchaser or his agent and recognized by the State of California, with their current seller's permit number, or be subject to the local tax.

14. Title to any lot remains with CONSIGNOR until the lot is paid for in full. SUPERIOR reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his / her possession. Risk of loss is on the buyer.

15. In the event a successful bidder fails to make payment when due, SUPERIOR reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.

16. Buyer agrees that any claim or controversy arising out of, or relating to the formation, interpretation or performance of these terms and underlying transactions or the breach thereof, is subject to binding arbitration in accordance with the rules of the Professional Numismatists Guild, except for any claim or controversy arising out of non-payment which may be referred to judicial proceedings at the option of SUPERIOR. Arbitration or judicial proceedings shall take place within the County of Los Angeles subject to the laws of the State of California.

17. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will bear interest at the highest rate permitted by law until it is paid. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other collection costs incurred by SUPERIOR. The courts of Los Angeles County, California, shall have exclusive jurisdiction and venue over any suit initiated by SUPERIOR to collect past due invoices and that the service of process by certified or registered mail, return receipt requested, shall be sufficient to confer ''in personam'' jurisdiction over bidder.

18. All photographs in this catalogue are of the actual coins, medals or currency being sold but may not be actual size.

19. SUPERIOR reserves the right to postpone the auction sale or any session thereof for a reasonable period of time.

20. Neither SUPERIOR nor the Auctioneer shall be responsible for incidental or consequential damages arising out of any failure of the terms and conditions of the auction and sale or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

21. Coins described with a grade by a Grading Service represents the opinion of that Grading Service and does not necessarily represent the opinion of the Auction Company and are offered here on an ''as is'' basis and not subject to return by any mail bidder or floor bidder.

22. Superior shall not be bound by any prior, or subsequent opinion, determination or certification by any grading service and such lots are sold under the condition that any claims to the contrary regarding grading, authenticity or methods of manufacture must be made in writing within ten (10) days of receipt of material. The descriptions contained herein represent the cataloguer's opinion or the opinion of a Grading Service where indicated as to the state of preservation and strike. No representation or warranty is provided that lots purchased from this sale will meet the criteria for submission to any grading service.

23. Prices Realized: The listing of prices realized shall be published following the completion of the sale. Those lots which have been reacquired or appear to have been reacquired by the consignor shall not be included in the listing. The Auctioneer shall not be responsible for loss or damage in the event of any error in the listing of prices realized including that the prices realized do not include lots which may have actually been sold to a buyer other than the consignor.

24. Bidding in this sale constitutes acceptance by the bidder of all the foregoing terms and conditions of sale.

Grading is an art and not a science. The grades herein represent our opinion based on our experience. Therefore, it is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and may continue to do so in the future. Your examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price. Catalogue price descriptions are only estimates as determined by SUPERIOR for the convenient reference of bidders and should not be relied upon as actual statement or prediction of current market value which is determined by auction sale.

Catalogue descriptions may make reference to PCGS or NGC populations. In cataloguing coins for the May 29, 1991 Sale the most current report available for NGC, January and March 1991, for PCGS, March 1991, were used at the time of writing. More current Population Reports may be released by sale time. If you are unable to obtain the most up to date report, prospective bidders may call or write to SUPERIOR for latest listings.

Instructions for New Mail Bidders

If you have never used our mail bid system, here is an explanation. The procedure is quite simple. On the enclosed Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is $350.00, your bid sheet should be as shown on the right.

The bid which you enter is the "maximum amount" or top price that you are willing to pay for a lot (unless you have checked one of the percentage increase boxes). However, there is always the possibility that you may obtain the lot for less.

Before mailing, check your bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sale.

Thank you,
The Auction Department

In 1978, a set of commemorative coins was issued for the 25th anniversary of the Macau grand prix. The coins featured a formula 1 racing car. These were the first coins to feature an automobile in 50 years. The last being the famous "auto dollar" from China's Kweichow province in 1928.

It has been reported that about fifty sets were sold at the Hong Kong show in 1978. Because of public outcry about the commercial advertising on the car the sets had to be recalled. After the recall, the coins were re-issued without the advertising. However, three of the original sets escaped the original recall and is one of those sets. A modern rarity.

KARL GEOTZ COLLECTION OF "SATIRICAL MEDALS"

Opus - 139

Opus 156a

Opus - 176

Opus - 179

Opus - 196

2564 GERMANY. Karl Goetz "Satirical Medals." **Collection of "Satirical Medals," struck from 1913-1923**. By Karl Goetz. Struck in bronze. Various sizes, 23 to 135mm, mainly 50-85mm. This group of World War I medal, commonly called "The satirical medals" covers the years from 1913-1923. Virtually complete, this collection contains Opus numbers 131 to 306 and 325, missing only Opus numbers 178, 243, 244, 245, 252, and 263. The series of the satirical medal was mostly inspired by newspaper reports.

The medal Goetz created was an interpretation of that newspaper account he had read. Although Goetz depicted war events in an intentionally damaging fashion, he was a man of sentiments who understood and sympathized with his fellow man. Karl used humor to criticize, good naturedly or otherwise. Although these satirical medals were quite popular and represents an extraordinary opportunity to purchase a truly historical series of numismatic importance.

A STATEMENT CONCERNING A REPORT THAT GOETZ MEDALLIONS HAVE BEEN RESTRUCK.

A considerable amount of publicity has been generated indicating that Karl Goetz medallions have been restruck. In order to clarify the situation and allow the medallions offered herein to be sold as original medallions we would like to take the opportunity to bring the following information to light.

The medallions offered herein are property of the Goetz family. They were received by the famly in 1950 and the family has acknowledged that they are original in all respects. Publicity concerning restruck medallions deals with opus 262 and 295. Opus 262 was loaned out at one time and that is where we believe the publicity concerning restruck medallions occurred. A number of belt buckles were produced from this die and it was reported that some restruck examples have been seen. After litigation, opus 262 was returned, but opus 295 was determined lost and its whereabouts unknown.

It is important to recognize several important facts. First, the only possible restruck examples of Karl Goetz medallions could come from opus 262 and 295. Second, the family has maintained complete control over the dies and they have a very firm policy that the dies shall never be permitted to come into the hands of anyone who could conceivably allow restriking. Third, this set of Karl Goetz medallions is the last time that a complete collection such as this will be offered. The family is not holding any quantity of medallions. Fourth, it is important to recognize that the medallions all seem to have a similar appearance, fragrance and feel. The Goetz family explains that the medals were originally waxed to preserve the bronze and were again waxed immediately prior to shipment to the United States for our sale.

Truly a unique opportunity to acquire a pedigreed set of Karl Goetz medallions. The set is offered and will be accompanied by a statement from the consignor indicating the fact that they are original, genuine and originate between 1913 and 1950.
